

Our Approach

We use the Contextual Safeguarding framework to address young people's needs in various settings with effective strategies.

Resources

- Contextual Safeguarding Network
- NSPCC Learning
- Childline: 0800 1111
- Young Minds: Text YM to 85258
- National Rape Crisis: 0808 802 9999

Our Vision & Values

We ensure the safety and well-being of young people beyond their immediate family. Our goal is to create a secure, supportive, and empowering space, protecting them from extra-familial harm like exploitation, violence, and abuse.

Core Values

- Empathy and Respect
- Collaboration
- Innovation
- Integrity
- Hope and Empowerment
